

A Cruiser's Guide to Elizabeth City, NC

Distances are from the 158 Elizabeth City Bascule Bridge

Docking:

Mariners' Wharf offers free slips on a first-come, first-served basis, located **south** of the bridge. Mid-Atlantic Christian University (MACU) and Jennette Brothers both offer free side-tie or slips, located **north** of the bridge. However, registration at the offices is required for the Jennette Brothers. If you're willing to pay a fee, Lambs Marina is an option, offering fuel, power, and water. It's located three miles **north** of the EC bridge.

EC Bridge openings: On-demand, call VHF channel 13, 24 hours a day except 7:00 AM to 9:00 AM and 4:30 PM to 5:30 PM on weekdays.

Showers/toilets: Mariners' Wharf showers and toilets are open 8 AM to 5 PM through the single green door under the green awning. Showers require a code and a \$5.00 fee paid to a Rose Buddy or Elizabeth City Tourism office at 400 South Water Street. MACU offers free restrooms and showers at their gym by contacting their dockmaster.

Pump out: No pump-out facilities are available at Mariners' Wharf or MACU. The Pasquotank Yacht Club offers free pump-out to reciprocal yacht club members. Contact a Rose Buddy.

Water: MACU offers free water.

Rose Buddy History

The Rose Buddy tradition has a long history that supports the City's reputation as the "Harbor of Hospitality." The first Rose Buddies were Fred Fearing and Joe Kramer. These two hosted an impromptu wine and cheese party for boaters visiting the docks at Mariners' Wharf after church one evening. This event took place for the first time in September 1983. Kramer clipped roses from his yard while Fearing collected wine, cheese doodles, chips, and cups. A memorial to their services can be seen at Mariners' Wharf. Current Rose Buddies no longer offer roses or cocktails but help with lines upon arrival and orient mariners to services, supplies, and entertainment in Elizabeth City. We hope you return many times.
